Founded in 1999 and publicly listed (SSE: 603180), GoldenHome delivers comprehensive one-stop custom home solutions across a diverse product range—including kitchen cabinets, wardrobes, vanities, doors, and wall panels. We are dedicated to providing affordable luxury customized furnishings to create the true joy of coming home.

GoldenHome has established 7+ intelligent manufacturing factories worldwide, with over 1.5 million square meters of manufacturing space, delivering an annual capacity of over 2.5 million sets of cabinetry with industry-leading automated precision.

GoldenHome boasts a robust global network of over 4,000 retail showrooms, complemented by proven expertise in project contracting and delivery. Our footprint covers 7 key markets: The U.S., Canada, Australia, Thailand, Malaysia, Indonesia, and the Middle East. Through local subsidiaries and service centers, we ensure rapid response and localized support for our partner and client.

Intelligent Manufacturing
